Soccer Camps for Kids

Get involved and get into the action!

Soccer camps are a great way for children in school years 2 to 7, regardless of gender, ability or ethnicity to get active and enjoy themselves playing the sport we love - football!

Boys and girls can **learn new skills** and take part in **fun competitions** under the guidance and close supervision of our **UEFA / FA qualified coaches** including former Premier League Player, England U21 International and Kendal Town FC Manager, Lee Ashcroft.

Our Soccer Camps are held regularly during school holidays and give children the chance to improve their skills and techniques in:

- ball control and dribbling
- passing and receiving
- shooting and balance
- 1-on-1 attacking
- combination play

Each child will also receive a certificate and medal plus a **FREE** ticket to a Kendal Town FC Home Match!

Costs for our Soccer Camps:
£35.00 for 3 days, £25.00 for 2 days or £15.00 per child, per day attendance.

Soccer Camps for Kids

Kendal Town FC Soccer Coaching

Throughout the year we operate our very popular coaching programmes around Kendal and South Lakeland which are delivered by our team of highly skilled, fully qualified and insured coaches.

The camps provide outstanding value for money and a high quality football experience for all young participants with a range of activities including, shooting and finishing skills as well as a whole host of fun games and tournaments.

Sessions are designed to be inclusive and are differentiated to each child's needs. Our holiday soccer camps are not an elite programme; it is a grass-roots provision in which every child can take part and enjoy.

We work hard to create a great value for money and fantastic childcare opportunity for working parents.

Courses typically run from 10.00am through to 3.00pm and we welcome children from reception through to year seven (ages approx 5 to 11 years).

Exclusive one-off coaching days can also be arranged for birthdays and special events.

Please visit our website for further details.
